I, the undersigned, \_\_\_\_\_ (the Applicant),

hereby apply for admission to Residence for the above-mentioned period, and undertake:

1. To pay the required admission fee within 14 days from the date of the notification of the reservation of accommodation for me in the Residence, failing which the reservation may be cancelled, without any notice.
2. To give the College notice, in writing, no later than 31 October, of any intention not to take up the accommodation, and accept that, on failure to take up the accommodation without such notice, the College may summarily cancel such accommodation, in which event I shall forfeit the said deposit.\*
3. To allow the College, should the accommodation be taken up, to set off the said admission fee against the first residence fees becoming due.
4. To pay a deposit amount, determined by the College from time to time, to cover the cost of contingencies such as breakage etc. I furthermore accept that this deposit will only be refunded to me on the vacation from the residence after an appropriate inspection and inventory check is conducted and signed off by the Residence Superintendent as confirmation that there are no outstanding penalties or that I have not caused any costs or repairs.
5. In order to ensure accommodation on returning to the Residence, to pay the admission fee within such period as may be stipulated in the notification of the reservation of accommodation for me in the Residence. The admission fee will be offset against my residence fees on my re-commencing such accommodation and I accept that I shall forfeit this if I fail to take up the said accommodation.
6. In the event of my discontinuing residence for any reason before the end of a semester, or having my accommodation terminated, to forfeit all fees already paid and remain liable for all unpaid fees, without prejudice to the right of the College to claim payment of any other amounts I may owe it, whether as a result of my breach of contract or otherwise.
7. In the event of having booked accommodation for both semesters in any year, to give the College at least one term prior written notice, of any intention not to return to the Residence for the second semester and I accept that on failure to give such notice, the College shall have the right to summarily cancel my accommodation, in which event I accept liability of payment of the second semester's residence fees, without prejudice to the right of the College to claim payment of any other amounts I may owe it, whether as a result of my breach of contract or otherwise.
8. To accept the tariff of residence fees and other charges laid down by the College from time to time.
9. To pay the required minimum residence fees in full prior to taking up accommodation each semester. No student will be admitted unless the required minimum fees are paid in advance.
10. To accept as final the decision of the College in all cases of dispute in connection with or arising out of this agreement.
11. To accept and comply with the House Rules laid down by the College in respect of the Residence from time to time.
  - I acknowledge that a reduction of fees will not be granted should residence be taken up after commencement of a semester or in the event of termination of residence before the end of a semester, unless specifically agreed to by the College under special circumstances.
  - I acknowledge that residence fees and other charges are subject to increase from time to time without prior notice.
  - I acknowledge that the College shall have the right to summarily terminate my accommodation and evict me from the Residence should I breach any aforesaid undertakings, or should I cease to pursue my aforesaid course of study, without prejudice to the rights of the College in respect of any amounts I may owe it and the right of the College to claim further forfeiture of any balance of the deposit still held by it.
